content

the what, why and how of storytelling

Astrid and Joost play with you a game of rhetoric and practise how you can have fun by giving and receiving feedback

15 minute keynote speech about basic things and a few tips on how to really use LinkedIn

workshop on how to make your own TEDx speech

In deze interactieve workshop ontstaat het bewustzijn over welke indruk de spreker met de verschillende stembuigingen maakt. Er zijn filmvoorbeelden van bekende sprekers. Er wordt aandacht besteed aan spreektempo, pauzes, heesheid, scherpte, luidheid, en afwisseling in toonhoogte en accent. De techniek van gezond en verstaanbaar spreken wordt behandeld, met aandacht voor ademhaling, stemplaatsing en volume. We ontdekken hoe de stem zich kan aanpassen aan de situatie.

this workshop is all about connecting to your audience using eye contact. With practise is also very usefull to make contact to individual men and women

15 minute keynote speech

workshop on how to strategically and practically use social media (e.g. LinkedIn, email etc.) to leverage your network and brand yourself and/ or your product.

co workshop facilitator "Fun with Feedback"

15 minute keynote speech
workshop on how you can make an awesome Open
Space session with a few practical tips and tricks

Leo shows us how we can make a fantastic
presentation

Get insight and practice on how to use Minto
pyramid principle to present your thinking so clearly that
your ideas jump off the page and into your reader's
minds

Marga lets you experience what colour and clothing can
do for you when communicating. 2 people in the
audience will have the chance to receive their colour

Get the tools to formulate an elevator pitch suited for
the occasion, from DWDD to the 8 o'clock news. Set
the right frame for your project or idea. Marielle is also
moderator of the Dragons Den.

Just the organizer of this event

Practising drama- and improvisation theater
(techniques) that help you with your public speaking

interactive workshop about cultural dimensions
(Hofstede) and how these affect communication(skills)

takes care of the welcoming and opening of part I and II
of the conference, open space facilitation

moderator of the round tables at this conference,
walking encyclopedia on Agile practices

15 minute keynote speech,
facilitator of workshop on the art of debating

workshop on learning how to really connect with your audience by listening very carefully
